

**BMEX GOLD INC.
INFORMATION CIRCULAR**

(Containing information as at November 14, 2023, or unless otherwise stated)

This information circular (“**Information Circular**”) is furnished in connection with the solicitation of proxies by the management of BMEX Gold Inc. (the “**Company**”) for use at the Annual General Meeting of the Shareholders of the Company (and any adjournment thereof) to be held on December 18, 2023 (the “**Meeting**”) at the time and place and for the purposes set forth in the accompanying Notice of Meeting.

In this Information Circular, references to the “Company”, “BMEX Gold”, “we” and “our” refer to BMEX Gold Inc. “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company.

The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

No other matters are contemplated, however any permitted amendment to or variation of any matter identified in this Notice may properly be considered at the Meeting. The Meeting may also consider the transaction of such other business as may properly come before the Meeting or any adjournment thereof.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders may choose one of the following options to submit their proxy:

- (a) complete, date and sign the Proxy and return it to the Company’s transfer agent, Computershare Investor Services Inc. (“**Computershare**”), by fax within North America at 1-866-249-7775, outside North America at

(416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 3rd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9;

- (b) use a touch-tone phone to transmit voting choices to a toll-free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the control number; or
- (c) use the internet through the website of the Company's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the control number.

In all cases the Registered Shareholder must ensure the proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting, or the adjournment thereof, at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In Canada the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States (the "U.S."), under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada and in the United States. Broadridge mails a voting instruction form (a "**VIF**") in lieu of a Proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be you), in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting voting of Common Shares to be represented at the Meeting. **If you receive a VIF from Broadridge, the VIF must be completed and returned to Broadridge, in accordance with Broadridge's instructions, well in advance of the Meeting in order to have the Common Shares voted at the Meeting, or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares.**

Notice to United States Shareholders

The solicitation of proxies is not subject to the requirements of Section 14(a) of the U.S. Exchange Act by virtue of an exemption applicable to proxy solicitations by foreign private issuers as defined in Rule 3b-4 of the U.S. Exchange Act. Accordingly, this Information Circular has been prepared in accordance with applicable Canadian disclosure

requirements. Residents of the United States should be aware that such requirements differ from those of the United States applicable to proxy statements under the U.S. Exchange Act.

This document does not address any income tax consequences of the disposition of the Company shares by shareholders. Shareholders in a jurisdiction outside of Canada should be aware that the disposition of shares by them may have tax consequences both in those jurisdictions and in Canada, and are urged to consult their tax advisors with respect to their particular circumstances and the tax considerations applicable to them.

Any information concerning any properties and operations of the Company has been prepared in accordance with Canadian standards under applicable Canadian securities laws, and may not be comparable to similar information for United States companies.

Financial statements included or incorporated by reference herein have been prepared in accordance with International Financial Reporting Standards, as issued by the International Accounting Standards Board, and are subject to auditing and auditor independence standards in Canada. Such consequences for the Company Shareholders who are resident in, or citizens of, the United States may not be described fully in this Information Circular.

The enforcement by the Company Shareholders of civil liabilities under the United States federal securities laws may be affected adversely by the fact that the Company is incorporated or organized under the laws of a foreign country, that some or all of their officers and directors and the experts named herein are residents of a foreign country and that the major assets of the Company are located outside the United States.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare, at least 48 hours (excluding Saturdays, Sundays and holidays) before the day of the Meeting or, if the Meeting is adjourned, at least 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the adjourned meeting; or
- (b) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

Approval of Amended Performance and Restricted Share Unit Plan

The Company has in place a fixed number Performance and Restricted Share Unit Plan (the "**PRSU Plan**") which was first adopted by the Board on May 5, 2021 and approved by Shareholders at the Company's last annual general meeting of Shareholders held on December 15, 2022.

The PRSU Plan provides for the issuance of "restricted share units" ("**RSUs**") and "performance share units" ("**PSUs**") to employees, consultants, officers or directors of the Company and its subsidiaries (the "**Participants**"). The Board intends to use RSUs and PSUs to be issued under the PRSU Plan, as well as stock options to be issued under the Stock Option Plan, as part of the Company's overall executive compensation plan and to assist the Company in attracting and retaining talented individuals. Since the value of RSUs and PSUs increase or decrease with the price of the common shares, RSUs and PSUs reflect a philosophy of aligning the interests of holders with those of the shareholders by tying compensation to share price performance.

The PRSU Plan currently reserves for issuance an aggregate of 5,842,801 common shares pursuant to awards granted under the PRSU Plan. The Company wishes to amend the PRSU Plan to provide that an aggregate of 7,606,343 common shares be reserved for issuance pursuant to awards granted under the PRSU Plan, such common shares representing 10% of the issued and outstanding common shares of the Company as at the date of this Information Circular, calculated in accordance with the policies of the Exchange. All other terms of the PRSU Plan will remain the same.

The following is a summary of the PRSU Plan, as amended (the "**Amended PRSU Plan**") and is qualified in its entirety by the full text of the Amended PRSU Plan, a copy of which may be obtained on request from the Corporate Secretary of the Company, or will be available at the Meeting.

- (a) RSUs and PSUs may be granted to eligible directors, officers, employees, management company employees or consultants of the Company.

- (b) The number of common shares that may be reserved for issuance pursuant to awards granted under the Amended PRSU Plan shall not exceed 7,606,343 common shares of the Company.
- (c) As long as it may be required by the rules and policies of the TSXV: (a) the total number of common shares issuable to any one Participant under the Amended PRSU Plan, within any 12-month period, shall not exceed one percent (1%) of the issued and outstanding common shares of the Company calculated at the time of grant, (b) the total number of common shares issuable under the Amended PRSU Plan to any one Participant, within any 12-month period, shall not exceed two percent (2%) of the issued and outstanding common shares calculated at the time of grant, (c) the total number of common shares issuable to any one Participant under the Amended PRSU Plan, within any 12-month period together with common shares reserved for issuance to such Participant under any other share compensation arrangement, shall not exceed five percent (5%) of the issued and outstanding common shares calculated at the time of grant (unless the Company has obtained disinterested Shareholders approval for such grant), and (d) the total number of common shares issuable to any one consultant together with common shares issuable under any other share compensation arrangement, shall not exceed an aggregate of two percent (2%) of the issued and outstanding common shares in any 12-month period calculated at the time of grant.
- (d) The total number of common shares issuable to Insiders under the Amended PRSU Plan and any other share compensation arrangement shall not exceed 10% of the outstanding common shares at any point in time.
- (e) The total number of common shares issuable to Insiders under the Amended PRSU Plan and any other share compensation arrangement in any 12 month period shall not exceed 10% of the outstanding common shares at the time of grant.
- (f) Participants may elect at any time to redeem vested awards on any date or dates after the date the awards become vested awards and on or before the expiry. A Participant shall have no rights as a shareholder in respect of any common shares covered by such Participant's RSUs or PSUs until the awards have vested and a share certificate has been issued to such Participant.
- (g) If a Participant is terminated without cause or by reason of resignation, all vested RSUs and PSUs must be redeemed at the earlier of the expiry date and 90 days. If a Participant is terminated for cause (as determined by the Board in its sole discretion), or, in the case of a consultant, for breach of contract, then any awards held by the Participant at the termination date (whether or not vested awards) are immediately forfeited to the Company on the termination date. In the case of death or disability, all unvested RSUs and PSUs, shall immediately vest and be automatically redeemed as of the date of death or disability.
- (h) The Board may determine that any unvested or unearned RSUs or PSUs outstanding immediately prior to the occurrence of a change in control shall become fully vested or earned or free of restriction upon the occurrence of such change in control and based on an adjustment factor, for PSU awards. The Board may also determine that any vested RSUs or PSUs shall be redeemed as of the date such change in control is deemed to have occurred, or as of such other date as the Board may determine prior to the change in control.
- (i) In the event the Company effect an amalgamation, combination, arrangement, merger or other reorganization or a subdivision or consolidation of common shares or any similar capital reorganization that warrants the amendment or replacement of any existing awards, the Board will, subject to the prior approval of the TSXV, authorize such steps to be taken as it may consider to be equitable and appropriate to that end.
- (j) RSUs and PSUs are not assignable or transferable, other than by will or by the laws of descent.
- (k) Subject to the provisions and restrictions of the Amended PRSU Plan, the aggregate maximum number of common shares available under the Amended PRSU Plan may be used for any type of award as determined and fixed by the Board, at its sole discretion. The Board shall have the authority to determine, in its sole discretion, at the time of a grant of any RSUs or PSUs the duration of the vesting period, in the case of PSUs, the performance criteria and performance period, and any other vesting terms and / or conditions. If the Board approves a dollar amount of RSUs or PSUs to be granted to a Participant, the number of RSUs or PSUs to be

credited to such Participants shall be equal to the approved dollar amount divided by the market price of one Share, as defined in the Amended PRSU Plan.

- (l) If any RSUs or PSUs are cancelled, or they expire or are otherwise terminated prior to them being exercised for any reason whatsoever, the number of common shares in respect of which RSUs or PSUs are cancelled, expires or otherwise terminated, will ipso facto again be immediately available for the grant of awards under the Amended PRSU plan.

The Amended PRSU Plan allows the Company to implement procedures and set conditions with respect to the withholding and remittance of taxes imposed under applicable law, subject to the policies of the Exchange.

To the extent permitted by applicable law and the Company's bylaws, the Board may, from time to time, delegate to a committee of the Board, all or any of the powers conferred on the Board under the Amended PRSU Plan.

The Board encourages shareholders to read the full text of the Amended PRSU Plan before voting on this resolution.

Shareholders will be asked to vote on the following ordinary resolution, with or without variation:

OVERSIGHT AND DESCRIPTION OF DIRECTOR AND NEO COMPENSATION

Compensation, Philosophy and Objectives

The primary goal of our executive compensation program is to attract and retain the key executives necessary for the Company's long-term success, to encourage executives to further the development of the Company and our operations, to motivate skilled and experienced executives, and to reward management for their contributions to the Company's achievements on both an annual and long-term basis. The key elements of the executive compensation

program are base salary or management fees and incentive stock options, and the Company may, from time to time, make cash bonuses a component of compensation, taking into consideration performance by both the Company and the respective personnel. Though the Company has not, as yet, adopted a formal bonus plan or non-equity incentive plan, all personnel, including executive officers, are eligible to receive bonuses. Our directors are of the view that all elements of the total compensation program should be considered, rather than any single element.

Compensation Process, the Role of the Compensation Committee and Compensation Governance: The Company relies solely on its Board of Directors, through discussion without any formal objectives, criteria or analysis, and based on recommendations made by the Compensation Committee in determining the compensation of its executive officers. The Board of Directors is responsible for determining all forms of compensation, including long-term incentives in the form of incentive stock options that may be granted to directors, officers, employees and consultants, and for reviewing compensation for the Company's executive officers to ensure such arrangements reflect the responsibilities and risks associated with each position.

When determining the compensation of the Company's executive officers, the Board of Directors considers: (i) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general.

Option-based and PRSU-based Awards: Options to purchase common shares of the Company are intended to align the interests of our directors and executive officers with those of our shareholders and to provide a long-term incentive that rewards these individuals for their contribution to the creation of shareholder value. The Company's stock option incentive plan is administered by the Board of Directors (see "Particulars of Other Matters to be Acted Upon – Re-approval of Stock Option Plan"). In establishing the number of the incentive stock options to be granted, the Board of Directors will consider any previous grants of options and the overall number of options that are outstanding relative to the number of outstanding common shares in determining whether to make any new grants of options, and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the executive officer in determining the level of incentive stock option compensation. Decisions are also made based on the recommendation of the Compensation Committee.

The PRSU Plan provides for the issuance of "restricted share units" ("RSUs") and "performance share units" ("PSUs") to employees, consultants, officers or directors of the Company and its subsidiaries (the "Participants"). The Board intends to use RSUs and PSUs to be issued under the PRSU Plan, as well as stock options to be issued under the Stock Option Plan, as part of the Company's overall executive compensation plan and to assist the Company in attracting and retaining talented individuals. Since the value of RSUs and PSUs increase or decrease with the price of the common shares, RSUs and PSUs reflect a philosophy of aligning the interests of holders with those of the shareholders by tying compensation to share price performance.

As of the date of hereof, our executive officers do not receive any benefits or perquisites that are not generally available to all of our officers and employees.

Pension Plan Benefits and Deferred Compensation Plans: The Company does not have in place any deferred compensation plan or pension plan that provides for payments or benefits at, following or in connection with retirement.

Risks Associated with Compensation Practices: Our Board of Directors has not, as yet, specifically considered the implications of any risks to the Company associated with decisions regarding compensation of its executive officers. However, as compensation of executive officers is determined by negotiation of set, monthly amounts between the Board of Directors and the individual, or at the discretion of the Board as relates to any bonus potential or stock option incentive plan awards, and compensation of the Company's executive officers is not based on quantitative performance criteria, management is of the view that there is no material risk of the Company's executive officers or directors taking, as a result of compensation process or potential, inappropriate or excessive risks during the performance of their duties that are reasonably likely to have a material adverse effect on the Company or its business and operations.

Hedging by Executive Officers or Directors: The Company has not adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted or awarded as compensation or held, directly or indirectly, by executive officers or directors. As of the date of this Form, entitlement to grants of incentive stock options under the Company’s stock option plan is the only equity security element awarded by the Company to its executive officers and directors.

Termination and Change of Control Benefits: The Company is not a party to any contract, agreement, plan or arrangement with its NEOs that provide for payments to NEOs at, following, or in connection with any termination (whether voluntary, involuntary or constructive), resignation or retirement, or as a result of a change in control of the Company or a change in a Named Executive Officer’s responsibilities.
